

FOR IMMEDIATE RELEASE

Dr. Michael J. Rechter, Cosmetic Dentist

“If there was a way to give them more than 5 stars, I would do it”

“Very high quality service, very professional, very warm environment”

Rockville Centre, New York (January 2018)—Give them what they want, and need. High quality, superior professional care, latest technology and a soothing modern office helps takes the worry and fear out of going to the dentist. From the moment you walk into Long Island Dental Excellence, their warm staff greets you with a smile putting you at ease. The comfortable reception area with HGTV playing inspires and immediately relaxes patients while setting the tone for a **POSITIVE dental experience**. Flat screen TVs in each treatment room and picture windows distract and comfort while being examined and treated. **Where all that matters is YOU.**

This is no ordinary practice; it really is extraordinary. Dr. Michael J. Rechter is proud to be a 3rd generation Dentist following in both of his parents’ and grandfather’s footsteps. His passion for dentistry is demonstrated in everything he does. Long Island Dental Excellence is a leading dental practice in Long Island, New York specializing in state-of-the-art digital dentistry, cosmetic dentistry, sedation dentistry, veneers & implants, whitening & brightening smiles, Invisalign and more.

★ **State-Of-The-Art Technology:** Hi-tech, innovative, cutting edge **Digital Dentistry** is at the core of Long Island Dental Excellence. **CEREC’s CAD/CAM** technology allows patients to get natural tooth restoration **in just a single visit** – design and production of crowns and veneers are created and applied on the spot. The results are immediate and the look and feel is natural and comfortable with **NO WAIT**. **3D X-Rays and Scans** allow the Dentist better diagnosis and improved precision for flawless restorations.

★ **Cosmetic Dentistry:** Chipped, cracked, discolored or missing teeth? **IMPROVE** the appearance of your smile so you can smile once again. Quickly and easily.

★ **Veneers, Bonding & Implants:** Restore your smile? Dr. Rechter and his team use the latest technology and the most durable material to do this painlessly, quickly, naturally and beautifully. Patients are stunned by the results.

★ **Whitening & Brightening:** The Whitening System utilized helps brighten and whiten teeth dulled by excessive coffee, tea, soda and red wine drinking or smoking. The results are immediate – dull teeth become healthy looking, whiter and brighter. So keep on smiling!

★ **Invisalign:** Choose the absolute BEST clear aligner system committed to continuous innovation, with 20 years of clinical research. No other clear aligner is backed by the data and experience of 4 million cases. Teens reveal their best smile, while adults get the smile they’ve always imagined without putting their lives on hold. Dr. Rechter and his team offer Invisalign to his patients with fantastic results, happy patients and beautiful smiles.

★ **Sedation Dentistry:** The latest buzz in dentistry. For those that have an intense fear of going to the dentist, Long Island Dental Excellence offers Sedation Dentistry. **Certified to perform conscious Oral Sedation**, patients can peacefully drift through their procedures **without any pain, anxiety** and very little memory of the procedure. When the procedure is complete, it’s as if they never had the procedure at all.

EXPERIENCE THE DIFFERENCE: superior quality service, beautiful results. A unique experience from start to finish **where all that matters is YOU.** Dr. Michael J. Rechter is proud to have been serving the Rockville Centre community for over 25 years.
